FESTIVAL PROGRAM

Perth's only festival dedicated to sharing the joy of filling your home with plants returns in August 2021. Whether you already live in an indoor jungle or are just starting out, head along to learn from experts, acquire some leafy beauties, and mix with fellow plant lovers.

A series of talks and workshops occur over the festival, giving you a chance to pause and enjoy learning something new and connect with fellow plant lovers.

Workshops are hands on and you'll make something to take home. Class sizes are 10-20 people depending on the skill taught so the experience is relaxing and enjoyable.

Talks are shorter in length and will involve demonstrations where relevant.

Indoor Plants 101

Friday 5 - 5.45 pm

Keeping indoor plants can be a joy and bring beauty, fresh air and satisfaction to your home and soul. They also die though... that's less fun! In this talk we'll cover how to choose the right plants for specific parts of your home, potting them up, positioning them to thrive and the basics of day-to-day care. Leave feeling inspired and confident to pick out your next plant baby.

\$10 pp

Terrariums

Friday 5.30 - 6.30 pm

Saturday 9 - 10 am

Terrariums are an enduringly popular item, mini gardens sealed in a glass vessel that can come in many shapes and sizes to reflect your décor and creativity. Join us to make your own mini landscape to take home, and learn how to keep it healthy and happy.

\$65 pp

Macrame Plant Hangers

Friday 5.30 - 6.45 pm

Saturday 10:15 - 11:30 am

At this workshop we'll use beautiful soft 5mm cotton cord to create a visually stunning macrame plant pot hanger to take home. Macrame is an old world craft where a range of knots and hitches are used to create functional but beautiful items. It's extremely addictive and easy to pick up, so you'll be making many more once you go home too.

\$55 pp

Indoor Bonsai

Friday 6.45 - 7.45 pm

Saturday 10:15 - 11:15 am

Bonsai is the Japanese art of growing ornamental dwarfed trees and shrubs. Some species work excellently as indoor plants which is what we'll explore in this workshop. You'll choose a plant and begin to train it in a new pot. Leave with your own indoor bonsai and the knowledge to care for it.

\$65 pp

Interior Design & Plants

Friday 7 - 7:30 pm

Indoor plants can make any home look beautiful if you know what to do with them. Join Shirene and Steven from Casana Studio as they share how to style plants so they look great in pots and grow happily. They'll cover how to set up plants to look their best and do a demo of the theory in action.

\$7.50 pp

Natural Woven Plant Baskets

Friday 7 - 8:30 pm

Create a beautiful woven basket using natural fibres to fit a small plant. You'll leave with one basket and the knowledge to make many more at home, using materials you can harvest yourself. A satisfying and relaxing hobby.

\$55 pp

Cultivating Rare Plants

Saturday 9 - 9.45 am

Got a 'Unicorn list' of rare plants you'd like to add to your collection? Come and learn how to approach growing rare beauties like the variegated monstera, from how to acquire cuttings in Perth and successfully root them, to developing healthy specimens you can then share with others.

\$10 pp

Soil Masterclass for Indoor Plants

Saturday 10 - 10:45 am

The secret is in the soil! Thriving, healthy plants depend on good soil tailored to their needs. Ben will cover how to make the ideal soil for a variety of indoor plants, including how to make your own soil amendments from food scraps and worm farms, so you can enjoy low-waste gardening producing a lush home jungle.

\$10 pp

Problem Solving Indoor Plants

Saturday 11 - 11:45 am

Keeping indoor plants can be a joy and bring beauty, fresh air and satisfaction to your home and soul. They also die though... that's less fun! In this talk we'll cover how to choose the right plants for specific parts of your home, potting them up, positioning them to thrive and the basics of day-to-day care. Leave feeling inspired and confident to pick out your next plant baby.

\$10 pp

Deep Dive: Begonias

Saturday 12 - 12:45 am

Beautiful begonias! Plants from the begonia family are renowned for their distinct, colourful leaves and bright flowers. Jill Watson from the Begonia Society of W.A. will share her passion for these plants, looking at the different varieties available in W.A., their propagation and care.

\$10 pp

Kokedama

Saturday 9 - 10 am

Create a garden ball using an adapted Kokedama technique that is simple and beautiful. We'll surround succulent plants with sustainable coconut fibres & twine to create your very own unique garden ball.

\$55 pp

Fabric Woven Plant Baskets

Saturday 11:45 am - 1:15 pm

Use recycled fabrics to create a funky plant basket that matches the colour scheme of your home. You'll leave with one basket to fit a small plant plus the knowledge to make many more at home.

\$55 pp

Floral Painted Pots

Saturday 11.30 am - 12.30 pm
+ 12.45-1.45 pm

Hand-paint your own 16cm flower pot in this workshop with local artist Megan Isabella Design. Learn application techniques using acrylic paint to decorate a happy planter that looks seriously good. You'll love it so much you'll be off to make more at home!

\$55 pp

Tiny Botanical Lino Prints

Saturday 1:30 - 2:45 pm

Join Printmaker Laura to learn how to adapt a botanical image, carve lino and print your image on paper. She'll also share colour techniques and pattern making from repetition. Leave with your lino, completed prints and your lino tool so you can carry on creating at home.

\$55 pp

Indoor Propagation

Saturday 1 - 2:30 pm

A huge range of indoor plants can be propagated, meaning you can have a lush jungle in your house for next to nothing. Propagation is cheap, easy, and extremely satisfying. Sharon will teach you the best methods for propagating a variety of plants, you'll have a go and leave with potted cuttings to get you started.
