<p data-bbox="124 147 521 181">Cultivating Rare Plants Talk</p> 	<p data-bbox="563 147 726 215">SAT 11 – 11.50 am</p>	<p data-bbox="767 185 1362 443">Got a ‘Unicorn list’ of rare plants you’d like to add to your collection? Come and learn how to approach growing rare beauties like the variegated monstera, from how to acquire cuttings in Perth, successfully root them, and develop healthy specimens you can then share with others.</p>	<p data-bbox="1422 147 1465 174">\$12</p>
<p data-bbox="245 499 399 533">Farm Tour</p> 	<p data-bbox="579 499 710 600">SAT 10 – 10.30 am</p>	<p data-bbox="759 533 1374 757">More than the venue for the Perth Indoor Jungle Festival, Perth City Farm is a 28-year-old Urban Farm enabling connected, sustainable lives. Join us for a mini version of our Farm Tour, focusing on our market garden, chooks, composting and recycling centres.</p>	<p data-bbox="1406 499 1481 633">Free but ticketed</p>
<p data-bbox="124 835 521 902">Hydroponics, Aquaponics & the Joy of Plants! Talk</p> 	<p data-bbox="563 835 726 902">SAT 2 – 2.50 pm</p>	<p data-bbox="759 835 1374 1361">Join Plant Playground for a fascinating exploration of modern growing technologies and the role indoor growing can have in our wellness. Alex will give an introduction to the delights and possibilities of hydroponics (soil-less gardening) and aquaponics (fish and plants living as one to sustain each other) as ways of cultivating an abundance of organic food at home, even indoors or with limited space. Sasha will then introduce the theme of Biophilia and the idea of using ‘plants as tools’ to help us move through uncertainty, improve the spaces we live, work and play in and boost positive emotions like joy, curiosity and awe.</p>	<p data-bbox="1422 835 1465 862">\$12</p>
<p data-bbox="169 1373 480 1406">Indoor Plants 101 Talk</p> 	<p data-bbox="563 1373 726 1597">FRI 6 – 6.50 pm SAT 12 – 12.50 pm</p>	<p data-bbox="759 1417 1374 1709">Keeping indoor plants can be a joy and bring beauty, fresh air and satisfaction to your home and soul. They also die though... that’s less fun! In this talk we’ll cover how to choose the right plants for specific parts of your home, potting them up, positioning them to thrive and the basics of day-to-day care. Leave feeling inspired and confident to pick out your next plant baby.</p>	<p data-bbox="1422 1373 1465 1400">\$12</p>
<p data-bbox="124 1760 521 1794">Introduction to Bonsai Talk</p> 	<p data-bbox="563 1760 726 1827">SAT 1 – 1.50 pm</p>	<p data-bbox="759 1805 1374 2096">Bonsai is the ancient artform of growing trees in pots to create a miniaturized but realistic representation of nature in the form of a tree. The “living art” of bonsai can be a very satisfying hobby, and Dianne from the Bonsai Society of Western Australia will join us for an overview of the history of bonsai, how to start and care for them.</p>	<p data-bbox="1422 1760 1465 1787">\$12</p>
