About Us

For over 30 years, Perth City Farm is a non-profit community urban farm that harnesses the power of nature and community connection, bringing people together to learn about sustainable living.

Our Farm is a sustainable wedding and event venue grounded in care for the land, and shared experiences. We also deliver sustainability education through public workshops, school tours and corporate volunteers. Alongside of our weekly Farmer's Market and community groups.

Thank you for helping our community thrive.

We hope you will stay involved with us for years to come.

Alannah Lidell Photography

Weddings

We host both ceremony-only, ceremony and reception weddings in our lush urban farm setting.

As a DIY venue, we offer optional furniture packages and trusted vendor recommendations, while giving couples the freedom to shape the day their way.

Our spaces provide a natural blank canvas, offering flexibility to create a celebration that feels personal and true to you.

Barn:

150 seated,
200 standing

The Barn

Our warehouse style barn has white washed walls, dark terracotta flooring, high ceilings with exposed metal beams and festoon lighting. This space opens onto a large courtyard surrounded by established gardens and rustic buildings.

Included in the hire is a commercial kitchen located adjacent to the Barn indoors. Our large festoon-lit courtyard also lends itself perfectly to food trucks, pizza trailers and caravan bar set ups. The perfect blank canvas to create a completely unique event.

The Courtyard

Nestled among trees and greenery, our Courtyard is a naturally beautiful space, perfect for hosting your ceremony or cocktail-style celebrations. Festoon lights add a magical touch at twilight, while the open layout provides plenty of room for food trucks, bars and flexible set-ups. A relaxed, picturesque spot to make your day your own. .

The Art Room & Garden

Picturesque panelled-windows flood this moody industrial style space with natural light.

The Art Room has white washed walls, exposed steel beams, panelled windows and industrial grey flooring, creating another perfectly unique space. Food trucks, street food stalls, or caravan bars can be positioned adjacent to the roller doors, while the back veranda and fruit garden create a beautiful outdoor area. If a kitchen is required, you may be able to hire our Community Room on the day or night.

Frequently Asked Questions

Will there be another event on at the same time as mine?

If you're hosting a wedding or large celebration, we will not have another event on at the same time as yours. However, the hirers from the following or previous day may be on site for a few hours for their set up/pack up.

Is there a minimum spend?

Whilst we don't have 'preferred suppliers' as such, we do have plenty of recommendations for amazing businesses who are familiar with Perth City Farm & experienced vendors at our venue.

When you book your event, we'll send you a copy of our 'Friends of the Farm' brochure, which lists a number of photographers, furniture suppliers, caterers, bar crews, stylists, florists, DJs, and plenty more!

Do you hire any furniture or lighting packages?

We have a Rustic Cocktail Furniture Package available for hire, which includes:

- Wine barrels
- Bar Tables and Stools
- Timber Benches
- Coffee Table

This package is included in the Art Room & Garden Friday Party Package or is available to hire on its own. It is suitable for events with up to 60 guests, when combined with some of our outdoor picnic benches.

If you'd like to add this hire package to your event, please let us know & we will provide you with photos & additional information.

A photograph of an outdoor event space. In the foreground, there are several wooden barrels and white plastic stools. One barrel in the center is decorated with a bouquet of white flowers. The background shows lush green trees and a clear blue sky. A string of small lights hangs across the top of the scene.

Frequently Asked Questions

Do you provide catering services or have preferred suppliers?

Perth City Farm is a BYO venue, which means you can organise your event however you'd like to. We are unable to organise your catering & drinks services for you, however we can provide you with a list of recommended suppliers when you book your event. BE FREE

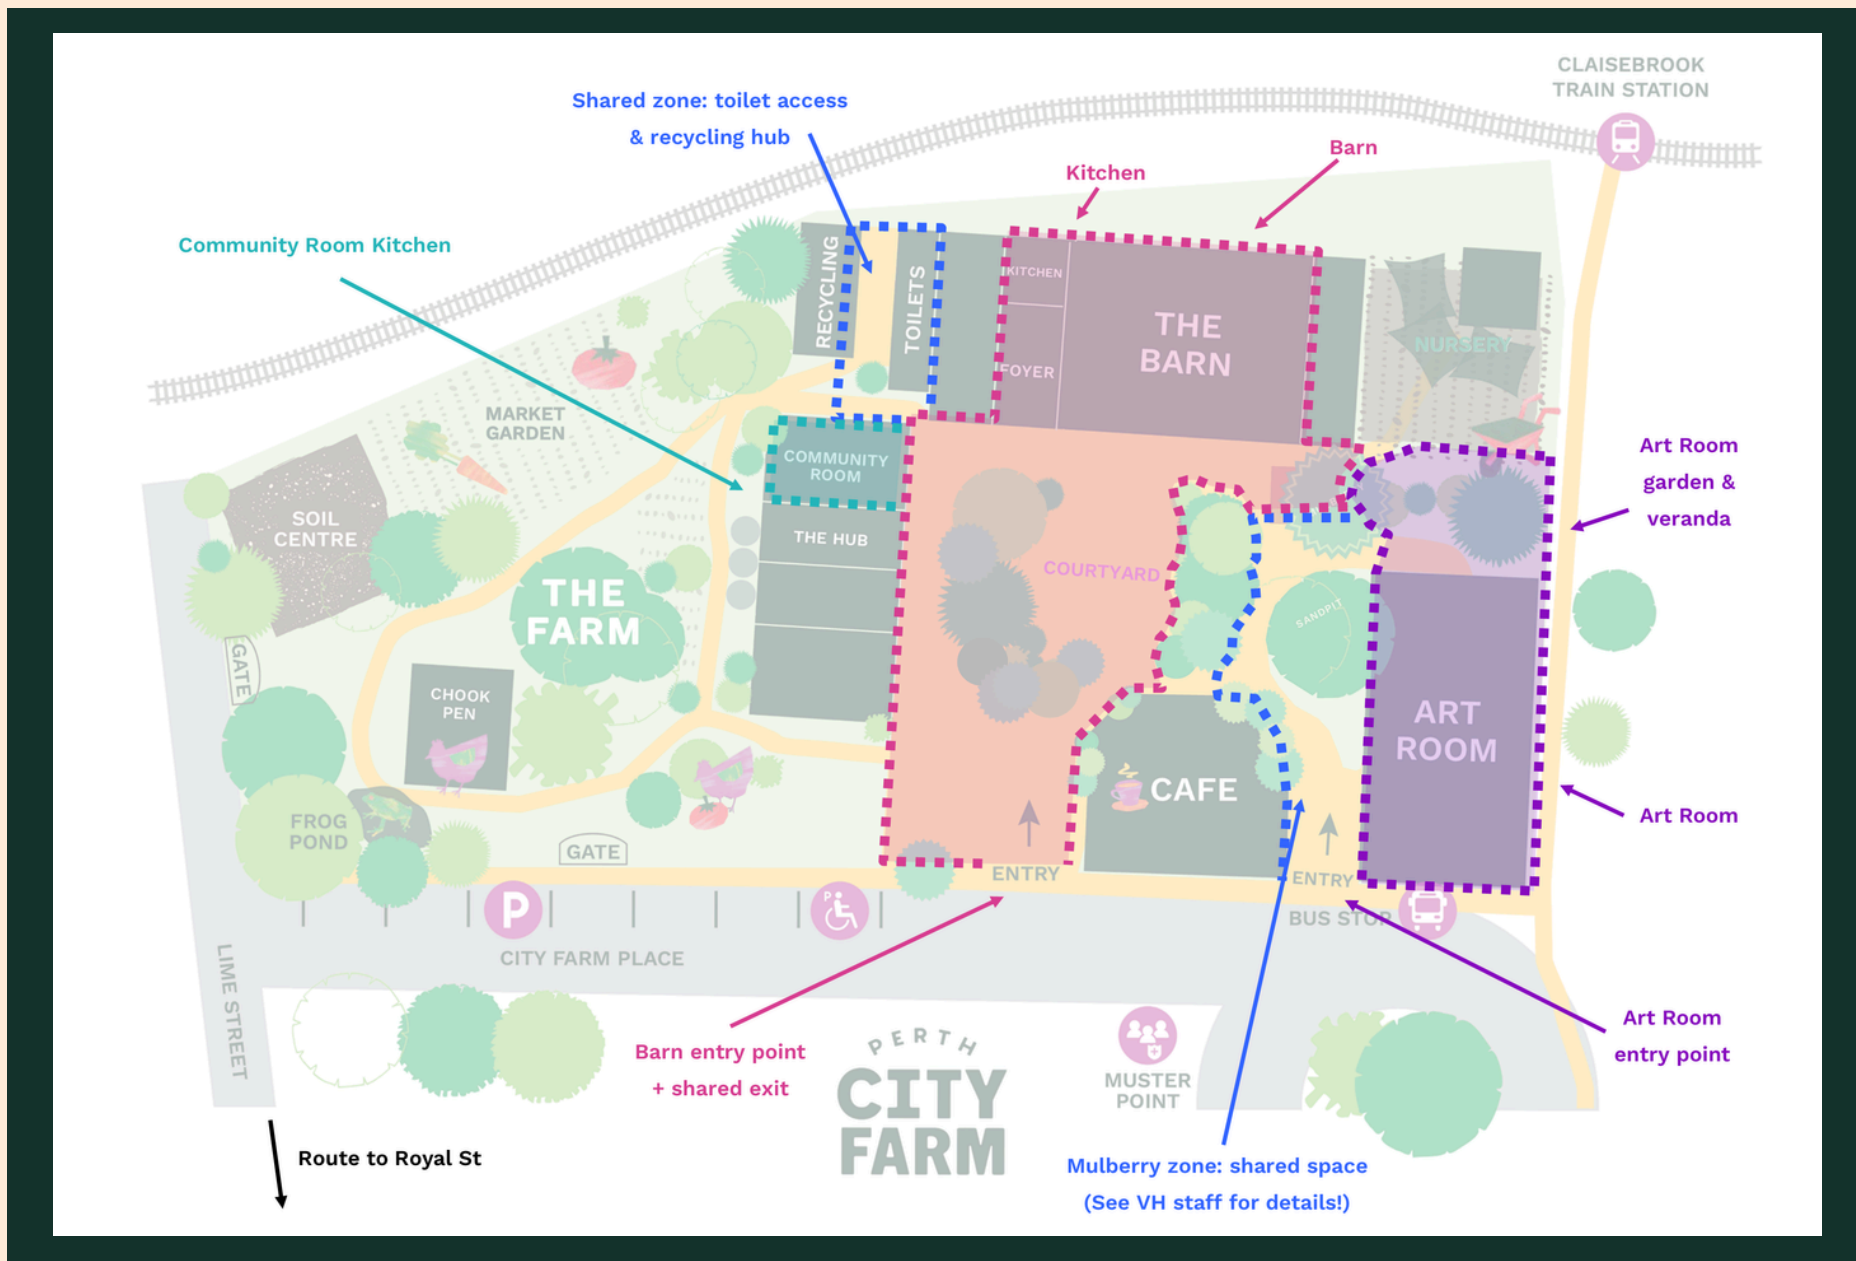

Can you help me plan my event, & will staff be on site?

We are available to answer any questions and help point you in the right direction of suppliers who can help create your vision. However, our staff are unable to assist with your event planning & design. Perth City Farm staff are only on-site during normal weekday business hours, & will not be working on site during your weekend or evening/night time event.

What about parking?

There is a City of Perth carpark in front of the venue. We recommend catching the Yellow Cat or train to Claisebrook Station as they stop right next to Perth City Farm!
